Georgetown, Indiana

In appreciation of your fine work in making our class a success, we dedicate to you this annual with these words --

"We

Thank

You,

Mr. Mardis"

Senior Class of 1955

Administration

The pathway of life is strewn with many and varied types of experiences.

Education should prepare one to travel that pathway seeking to promote that which is good, to destroy that which is evil, and to spread joy among his fellowmen.

Quincy T. Leslie

Thanks and congratulations to the students of the Class of 1955 for their efforts and co-operation.

This yearbook and the activities it portrays are concrete evidence of time and effort well spent. I am sure the pleasure derived in future years will be ample reward to the staff for a job well done.

May I wish you happiness and success in your future endeavors.

Sincerely,

Lawrence E. Moore
